

On-line Services: Compromise Agreements (2)

Judith Long, Specialist Employment Solicitor at *JUDITH M LONG solicitors*, provides expert advice on Compromise Agreements wherever you are in the UK.

Please call us on **020 7403 3337** or e-mail us at the address below. You can e-mail, post or fax your Compromise Agreement to us.

Alternatively, if you are in London, you can visit our offices. We are located near to London Bridge Mainline and Underground Stations and Borough Underground Station.

Whenever we advise on this type of agreement, we endeavour to keep our charges within the employer's contribution. Our charges are likely to exceed the contribution made by your employer if the proposed contribution is small or where extensive negotiation or re-drafting work is needed but we will discuss and agree this with you before proceeding. Sometimes companies will be willing to increase their own contribution to cover any excess.
